

Royal Baking Powder saves eggs in baking

In many recipes only half as many eggs are required, in some none at all, if an additional quantity of Royal Baking Powder is used, about a teaspoon, in place of each egg omitted.

Try the following recipes which *also conserve white flour as urged by the government.*

Corn Meal Griddle Cakes

1 1/2 cups corn meal
1 1/2 cups boiling water
3/4 cup milk
1 tablespoon shortening
1 tablespoon molasses
1/2 cup flour
1 teaspoon salt
4 teaspoons Royal Baking Powder
NO EGGS

Scald corn meal in bowl with boiling water; add milk, melted shortening and molasses; add flour, salt and baking powder which have been sifted together; mix well. Bake on hot greased griddle until brown.

(The Old Method called for 2 eggs)

Eggless, Milkless, Butterless Cake

1 cup brown sugar
1 1/2 cups water
1 cup seeded raisins
2 ounces citron, cut fine
1/2 cup shortening
5 teaspoons Royal Baking Powder
1/2 teaspoon salt
1 teaspoon nutmeg
1 teaspoon cinnamon
1 cup flour
1 cup rye flour

Boil sugar, water, fruit, shortening, salt and spices together in saucepan 3 minutes. When cool, add flour and baking powder which have been sifted together. Mix well; bake in loaf pan in moderate oven about 45 minutes.

(The Old Method [Fruit Cake] called for 2 eggs)

Send for our new booklet "55 Ways to Save Eggs." Mailed free on request. Address Royal Baking Powder Co., Dept. H., 135 William Street, New York

Universal Patriotism

The fact that America is at war and that our Government is endangered has at last come home to us as a reality. To win this war two essentials are required, "Man Power" and "Available Money." America has both and is freely contributing both. Many of our best boys are in the United States service, some are now on foreign soil, many more will soon be there. We must give them the best care, the best equipment, and the best support that money can procure. The stronger the Punch the shorter the Struggle. We have hoped for and talked of peace, now we must fight for Victory, a Victory that will bring world-wide and eternal peace.

Community Patriotism

A Slacker in National affairs is held in scorn. One hundred per cent Americans should be just as loyal to the Community in which they live as they are to the United States Government of which they are a part.

Complete loyalty is more patriotic than partial loyalty. Before you send your money to a Mail Order house drop in and talk over your needs with us. We specialize on quantity purchases. Our stock is large and fresh and always moving. You will need to stock up for winter and we are sincere in believing that we can satisfy you. Co-operation will benefit all of us. We are anxious to have you join hands with us in making the most popular store in Paw Paw, that of
